

Bhavesh Shah

bsbhavesh1975@gmail.com | 7247072182 Indore,
Madhya Pradesh

Professional Summary

Detail-oriented and enthusiastic Data Analyst Fresher with practical experience in data analysis, visualization, and reporting. Skilled in Python, Power BI, Tableau, Excel, and SQL with strong abilities in data cleaning, dashboard creation, and insight generation.

Internship Experience

AI Intern – Plasmid Company (Remote, Apr 2024 – Jun 2024)

- Gained exposure to **AI/ML** workflows and tools.
- Used Python for model building and preprocessing.
- Learned ML concepts including model training and evaluation.
- Worked on mini-projects applying theoretical concepts.

Machine learning Intern – CodeVeda (Remote, Jun 2025 – July 2025)

- Gained hands-on exposure to end-to-end AI/ML workflows and industry-standard tools.
- Utilized Python for data preprocessing, feature engineering, and model development.
- Built and evaluated machine learning models, applying concepts such as training, validation, and performance metrics.

Projects

Housing Data Analysis – Power BI

- Cleaned and prepared raw datasets.
- Developed interactive dashboards for pricing and trends.
- Used DAX for dynamic KPIs.

Sales Performance Analysis – Excel

- Analyzed sales data using advanced Excel functions.
- Built dashboards for **region, product, and sales KPIs**.
- Identified trends for business improvements.

House Price Prediction – Machine Learning (Ongoing)

- Building regression model using Python & scikit-learn.
- Working on feature engineering & model tuning.

Skills

- | | |
|---|--|
| • Programming: Python | • Data Handling: Data Cleaning, Preparation, Analysis |
| • Data Visualization: Power BI, Tableau | • Reporting & Dashboards: Interactive Dashboards |
| • Database & Queries: MySQL, SQL Queries | • Tools: Excel (PivotTables, VLOOKUP, SUMIFS) |

- Other: **Basic Flask (backend testing)**

Education

Bachelor of Computer Applications (BCA) – Artificial Intelligence

SAGE University, Indore | Expected Graduation: July 2026

Certifications

- Oracle Certified Foundations Associate – Oracle(Sep 2025)
- AWS Cloud Practitioner Essentials – Amazon (Mar 2025)
- AI Internship Certificate – Plasmid Company (Jun 2024)
- AWS Academy Cloud Foundation – Amazon (Dec 2023)

Personal Details

Date of Birth: **19 July 2005**

Gender: **Male**

Languages: **English, Hindi**
