Professional Summary

Detail-oriented and motivated Data Analyst Intern with hands-on experience in data visualization, reporting, and data management. Proficient in Python, Power BI, Tableau, and Excel with a solid understanding of databases using MySQL. Adept at transforming complex datasets into actionable insights to support business decision-making. Eager to contribute to data-driven projects and grow in a collaborative, fast-paced environment.

Skills

- Python
- Power BI
- Tableau
- Microsoft Excel
- MySQL
- Data Cleaning
- Data Visualization
- Dashboards & Reporting
- SQL Queries
- Data Analysis
- Flask (basic experience – used in micro project testing)

Internship Experience

AI Intern

Plasmid Company, Remote April

2024 – June 2024

- Participated in hands-on learning sessions focused on Artificial Intelligence concepts and tools.
- Gained exposure to machine learning workflows, data preprocessing, and model training techniques.
- Worked with Python for implementing basic AI/ML algorithms.
- Collaborated with peers on mini-projects to apply theoretical knowledge in practical scenarios.

Projects

Housing Data Analysis using Power BI

- Cleaned and prepared housing data for visualization.
- Developed an interactive dashboard to analyze pricing trends, property types, and locations.
- Leveraged Power BI's DAX for dynamic KPIs and insights.

Sales Analysis using Excel

- Conducted detailed analysis of sales data using pivot tables, charts, and functions like VLOOKUP and SUMIFS.
- Created a dashboard to monitor sales performance by region, product, and sales rep.
- Highlighted trends and opportunities for revenue growth.

House Price Prediction using Machine Learning (Ongoing)

- Developing a machine learning model to predict house prices based on location, size, and amenities.
- Applying regression techniques using Python (scikit-learn).
- Working on feature engineering and hyperparameter tuning.
- Utilized Flask to build and test simple backend endpoints for internal use in a micro project.

Certifications & Internship Certificates

- AWS Academy Cloud Foundation – Amazon (December 2023)
- AWS Cloud Practitioner Essentials – Amazon (March 2025)
- AI Internship Certificate – Plasmid Company (June 2024)

Education

Bachelor of Computer Applications (BCA) – Artificial Intelligence

SAGE University, Indore

Expected Graduation: July 2026
